Welcome to Grafton

The beating heart of the Clarence Valley.

Famous for its jacaranda-lined streets and Bendy Bridge, the heritage-filled veins of Grafton pump ‘old country town’ into life. Blessed with broad avenues and pretty architecture, walk or cycle down the streets and pathways along the banks of the mighty Clarence River, and absorb and ‘feel’ Grafton for the heritage hub it is.

Set your coordinates to the 1800s and marvel at rich Victorian and Edwardian architecture through the CBD and over the bridge to South Grafton.

Grafton.
